Re: Renewal of Standard Permit Registration
Permit Number: 107197
Company Name: Hydroworks Incorporated
Customer Number: CN604176339
Regulated Entity Number: RN106562754

Dear Mr. Garza:

We have reviewed our records for Registration Number 107197 for the Specialty Cbp 1 located in Webb County, Texas. During the review, we noticed that a renewal notification letter dated March 4, 2022 was provided to Hydroworks Incorporated, informing you of the expiration date of April 3, 2023. Because no renewal application was received by the expiration date, the registration automatically expired. You will need to submit an application for a new registration. To obtain a copy of the Form PI-1S with instructions, please visit the Texas Commission on Environmental Quality (TCEQ) Web site at:

www.tceq.texas.gov/permitting/air/forms/newsourcereview/nsr_sp_forms.html

Please feel free to contact the staff of the Air Permits Initial Review Team at (512)239-1250 if you have any questions or need further assistance.

Sincerely,

Mr. Garza,

The attached expiration letter contains information about an expired authorization. Please reply to this email to confirm receipt of the expiration letter. A reply confirmation will improve efficiency and prevent a hard copy of the letter from having to be sent by certified mail.

Should you have any questions, please call 512-239-1250 and ask for a member of the Air Permits Initial Review Team (APIRT) or via email at apirt@tceq.texas.gov.

Thank you!
