VII. Certification of Truth, Accuracy, and Completeness

All representations in this Certification are conditions upon which stationary sources will operate in compliance with all Texas Commission on Environmental Quality and the U.S Environmental Protection Agency regulations governing air pollution, and that this Certification further affirms that no stationary source is authorized by a New Source Review case-by-case permit under the provisions of [30 TAC § 116.110](#).

I, Crystal Hardee
(Name printed or typed)

certify that, based on information and belief formed after reasonable inquiry, the statements and information stated above and contained in the attached documents are true, accurate, and complete. I further state that to the best of my knowledge and belief, the project for which application is made will not in any way violate any provision of the Texas Water Code (TWC), Chapter 7, Texas Clean Air Act (TCAA), as amended, or any of the air quality rules and regulations of the Texas Commission on Environmental Quality or any local governmental ordinance or resolution enacted pursuant to the TCAA. I further state that I have read and understand TWC §§ 7.177-7.183, which defines CRIMINAL OFFENSES for certain violations, including intentionally or knowingly making or causing to be made false material statements or representations in this application, and TWC §§ 7.187, pertaining to CRIMINAL PENALTIES. The attached GOP Checklists identify the applicable regulatory requirements for each unit or facility, and the attachment of the indicated GOP checklists to this Certification form certifies that the owner will comply with each regulatory requirement identified by the checklist.
