Dear Jimmy Star:

As you requested in our conversation on September 20, 2024, you are withdrawing the active Permits by Rule (PBR) registration received August 28, 2024. We understand that you do not wish to proceed with this registration. The fee used for this project can be applied to a future submittal received within six months of the date of this letter by referencing the Receipt Number(s) 719047.

All records regarding this application will be retained in case you wish to reactivate the project in the future; however, any future reactivation will require that you reregister under the requirements of Title 30 Texas Administrative Code Chapter 106 and the PBR(s) in effect at that time.

Thank you for informing us of the changed status of this project.

This action is taken under authority delegated by the Executive Director of the Texas Commission on Environmental Quality.

Sincerely,

A handwritten signature in black ink that reads "Michael Partee".
