Re: Standard Permit Registration Renewal Notification

Dear Mr. Burgess:

Section 382.055 of the Texas Clean Air Act, Texas Health and Safety Code, Chapter 382, and Title 30 Texas Administrative Code (30 TAC) § 116.604, requires the Texas Commission on Environmental Quality (TCEQ) to notify the permit holder when a standard permit registration is scheduled for renewal. The following registration is set to expire on May 20, 2024:

Company Name - Prime Harvest, Inc.
Customer Reference No. - CN604509638
Regulated Entity No. - RN107086779
Registration No. - 116532L001
Registration Expiration Date - May 20, 2024

Please apply for review of your standard permit registration renewal no later than November 20, 2023. If Standard Permit Registration Number 116532L001 is no longer needed (i.e.; permit consolidation, plant dismantled or shutdown, etc.) then complete a void request in STEERS ePermits at www3.tceq.texas.gov/steers/. If renewing the registration, please submit the applicable Air Standard Permit Application located at www.tceq.texas.gov/permitting/air/nav/standard.html. Please furnish all information as indicated in the forms and instructions. The application for renewal registration and other forms can be found at the TCEQ web site www.tceq.texas.gov/search_forms.html.

In addition, please review your TCEQ Core Data Form (Form No. 10400) and update as needed. A standard permit fee as required by 30 TAC § 116.614 must also be submitted with this application. After receipt of a completed application, you will be notified of the requirements and procedures for public notification.

Mr. Calvin Burgess

Re: Standard Permit Registration Renewal Notification

Please disregard this notification letter if a renewal application has been submitted and is currently being processed. If we may be of any assistance to you in this matter, you may contact the staff of the Air Permits Initial Review Team or you may contact me at (512) 239-1250.

Sincerely,

A handwritten signature in black ink, appearing to read "Johnny D. Bowers", with a long horizontal flourish extending to the right.

Re: Untimely Standard Permit Registration Renewal Notification

Dear Mr. Burgess:

Pursuant to Section 382.055 of the Texas Clean Air Act, Texas Health and Safety Code, Chapter 382, and Title 30 Texas Administrative Code § 116.604 [30 TAC § 116.311(a)], a standard permit registrations is subject to review not later than 10 years after the date of issuance. Additionally, the Texas Commission on Environmental Quality (TCEQ) is required by 30 TAC § 116.310 to notify you no less than 12 months prior to the expiration of the permit that the permit is scheduled for review.

However, we have determined written notice was not provided in a timely manner to inform you of the permit expiration date of May 20, 2024 for the following:

Company Name - Prime Harvest, Inc.
Customer Reference Number: - CN604509638
Regulated Entity Number: - RN107086779
County: - Red River
Standard Permit Registrations Number: - 116532L001
Standard Permit Registrations Expiration Date: - May 20, 2024

Therefore, we are providing 180 days to submit your renewal application. The renewal application shall be submitted no later than December 12, 2024. Failure to apply by this date will result in the expiration of this permit.

Please furnish all information as indicated in the forms and instructions. You may submit the applicable Air Standard Permit Application located at www.tceq.texas.gov/permitting/air/nav/standard.html. A standard permit fee as required by 30 TAC § 116.614 must also be submitted with this application. After receipt of a completed application, you will be notified of the requirements and procedures for public notification.

If Standard Permit Registration Number 116532L001 has been consolidated into another New Source Review Permit, please complete a void request in STEERS ePermits at www3.tceq.texas.gov/steers/
