Permit Number: 84182L015
Company Name: Baker Concrete Construction, Inc.
Customer Number: CN600547798
Regulated Entity Number: RN105457626

Dear Mr. Reid:

We have reviewed our records for Registration Number 84182L015 for the Concrete Batch Plant 4 located in Glasscock County, Texas. During the review, we noticed that a renewal notification letter dated July 26, 2023 was provided to Baker Concrete Construction, Inc., informing you of the expiration date of September 29, 2024. Because no renewal application was received by the expiration date, the registration automatically expired. You will need to submit an application for a new registration. To obtain a copy of the Form PI-1S with instructions, please visit the Texas Commission on Environmental Quality (TCEQ) Web site at:

www.tceq.texas.gov/permitting/air/forms/newsourcereview/nsr_sp_forms.html

Please feel free to contact the staff of the Air Permits Initial Review Team at (512)239-1250 if you have any questions or need further assistance.

Sincerely,
