Project Overview & Description

Q. Roberts Trucking Incorporated has applied for the permanent rock and concrete crushers standard permit to register a Rock Crushing Plant near Seagoville in Dallas County. At the time of permit application receipt the company has an unsatisfactory compliance history and cannot receive this permit authorization until the rating is considered satisfactory.

The applicant, Q. Roberts Trucking Incorporated submitted a notification to withdraw the Standard Permit application for permanent rock and concrete crushers on November 12th, 2024.
