Dear Mr. Ali:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the Drinking Water Survey Report, dated June 30, 2023, and additional information dated August 31, 2023, for the above-referenced site. Based on the information provided, there does not appear to be any private drinking water supply wells or public water supply wells within 0.25-mile of the site. Therefore, the notifications to water well owners pursuant to Texas Water Code (TWC) 26.408(b) or TWC 5.236 do not apply.

As a reminder, please submit the Assessment Report Form (ARF) by **November 8, 2023**.

Please reference the LPST and Facility ID numbers on future correspondence regarding this site. Should you have any questions, please contact me at (512) 239-2500 or Hannah.VanAuken@tceq.texas.gov. Please reference the LPST ID number when making inquiries. Your cooperation in this matter is appreciated.

Sincerely,
