VI. Certification by Authorized CAIR-Designated Representative

Per 40 CFR §96.110(e), each submission under the CAIR NO_x Annual Trading Program shall be submitted, signed, and certified by the CAIR-designated representative for each CAIR NO_x source on behalf of which the submission is made. Please read and sign in ink the following certification statement.

"I am authorized to make this submission on behalf of the owners and operators of the source or units for which the submission is made. I certify under penalty of law that I have personally examined, and am familiar with, the statements and information submitted in this document and all its attachments. Based on my inquiry of those individuals with primary responsibility for obtaining the information, I certify that the statements and information are to the best of my knowledge and belief true, accurate, and complete. I am aware that there are significant penalties for submitting false statements and information or omitting required statements and information, including the possibility of fine or imprisonment."

Re:

FORM CNA-1
APPLICATION FOR: Nitrogen Oxides Allowance Allocation
Odessa-Ector Power Partners, LP
Odessa Ector Generating Station
Ector County, Texas
TCEQ RN100223882; CN602798365; Account No. EB-0868-C

To whom it may concern,

Odessa-Ector Partners, LP hereby submits the Application form (CNA-1) for CAIR Nox allowance allocation for the 2015 control period for the Odessa-Ector Generating Station located in Odessa, Texas. The application requests NOx allowances for Units CTG-1, CTG-2 CTG-3 and CTG-4.

If you require any additional information or have any questions, please contact the undersigned at (432) 620-5753 or david.gallaher@pseg.com.

Sincerely,

A handwritten signature in black ink that reads "Mike Gallaher". The signature is written in a cursive, flowing style.

Mike Gallaher
Manager of Standards, EHS
Odessa-Ector Power Partners, LP
