Please apply for review of your permit renewal no later than October 14, 2025, using the application form available at the Web address below. Failure to submit your application prior to the expiration date may result in expiration of this permit.

**Company Name** - EBAA Iron, Inc.  
**Customer Reference No.** - CN600129100  
**Regulated Entity No.** - RN102518495  
**Permit No.** - 31241  
**Permit Expiration Date** - April 14, 2026

You will need to submit an application for a permit renewal which can be found at the Texas Commission on Environmental Quality (TCEQ) Web site: [www.tceq.texas.gov/permitting/air/guidance/newsourcereview/nsrapp-tools.html](http://www.tceq.texas.gov/permitting/air/guidance/newsourcereview/nsrapp-tools.html). After receipt of a completed application, you will be notified of the requirements and procedures for public notification. You may disregard this notification letter if a renewal application has been submitted and is currently being processed.
