**Standard Permit for Concrete Batch Plant with Enhanced Controls**

Dear Air Section:

I am submitting a standard Permit for Concrete Batch with enhanced controls. The company had to withdraw the previous application.

I would like to request the permit be transferred to Mr. Victor Gonzalez with the Mechanical Team, Air Permits Division. He had worked on this permit and knows the company and has reviewed the previous application.

If you have any questions or comments, please contact me at (512) 709-4251 or via email at [Aaron@HertzEHS.com](mailto:Aaron@HertzEHS.com)

Sincerely,

Aaron Hertz
