Dear Mr. Bradley:

The Texas Commission on Environmental Quality (TCEQ) has automatically renewed Air Quality Standard Permit Registration 138597 pursuant to Title 30 Texas Administrative Code (TAC) § 116.604(4).

Please be advised that you are required to maintain compliance with the terms and conditions of the Air Quality Standard Permit as well as all rules and regulations of the TCEQ and the U.S. Environmental Protection Agency, including the procedures outlined in 30 TAC § 116.615(2) regarding representations and changes.

Please complete the Air Permitting Authorization Void in STEERS ePermits at [www3.tceq.texas.gov/steers/](http://www3.tceq.texas.gov/steers/) if this registration is no longer needed (e.g.; permit consolidation, plant dismantled or shutdown, etc.).
