Dear Mr. Walraven:

Section 382.055 of the Texas Clean Air Act, Texas Health and Safety Code, Chapter 382, and Title 30 Texas Administrative Code (30 TAC) § 116.314(a), requires the Texas Commission on Environmental Quality to notify the permit holder when a permit is scheduled for renewal. Please apply for review of your permit renewal no later than November 23, 2025, using the application form available at the Web address below. Failure to submit your application prior to the expiration date may result in expiration of this permit.

Company Name - Eagle Railcar Services - Orange, Texas, LLC
Customer Reference No. - CN605699180
Regulated Entity No. - RN100234681
Permit No. - 18226

If Permit Number 18226 is no longer needed (e.g.; permit consolidation, plant dismantled or shutdown, etc.) then complete a void request in STEERS ePermits at www3.tceq.texas.gov/steers/. You will need to submit an application for a permit renewal which can be found at the Texas Commission on Environmental Quality (TCEQ) Web site: www.tceq.texas.gov/permitting/air/guidance/newsourcereview/nsrapp-tools.html. After receipt of a completed application, you will be notified of the requirements and procedures for public notification. You may disregard this notification letter if a renewal application has been submitted and is currently being processed.
