Dear Ruth:

Cambridge Services Group, Inc. is pleased to respond to your letter of February 11, 2020 requesting additional submittals as defined in the communication:

1. **PROOF OF ADJACENT PROPERTY OWNER NOTIFICATION** – Please find included with this letter copies of notifications to adjacent property owners. CSG prepared letters using the county tax database for appropriate addresses, prepared the notification letters per the TCEQ provided sample letters, mailed the letter certified mail/receipt requested, and copied response certified receipts as attached. Five of six letters were acknowledged for this application after a return period of 7 days with the single non-responsive letter documented by postal receipt for delivery.
2. **PROFESSIONAL GEOSCIENTIST SEAL** – Please find included with this letter sealed maps and boring/monitoring well logs as per your request.
3. **WASTE CHARACTERIZATION AND DISPOSAL** – Please find included with this letter waste manifest describing removal and disposal of all waste (solid and aqueous) associated with the site investigation.

Respectfully,
Cambridge Services Group, Inc.

Re: Notification of Application to TCEQ Innocent Owner/Operator Program (IOP)
701 North Great Southwest Parkway – 721 North Great Southwest Parkway
Arlington, Texas 76011
IOP Project No. 1146

Dear Sir:

This letter was prepared to inform you that an IOP application has been submitted to the Texas Commission on Environmental Quality (TCEQ) by VEGAFAM GROUP, LLC, the owners/operators of 701 North Great Southwest Parkway located at 701 North Great Southwest Parkway adjacent to your property at 626 North Great Southwest Parkway, Arlington, Texas 76011. The application was submitted in response to the discovery of halogenated solvents in soil and groundwater on VEGAFAM GROUP, LLC's property, which the owners/operators contend has migrated to their property from an off-site source.

Additionally, VIS-Vega Industrial Services and City Logistics 721 Lenders, LLC are included in the IOP application and are listed as tenant/occupant and lender.

The law creating the IOP became effective September 1, 1997 and was drafted to provide immunity from liability under the Texas Water Code and Health and Safety Code for owners/operators of property that has been contaminated by an off-site source. The law also provides for issuance of a certificate confirming the person is an innocent owner/operator and thereby not liable for the contamination if the person makes an adequate demonstration to TCEQ that the contamination has migrated from an off-site source and that activities on the property did not contribute to the contamination. The owner/operator of 721 North Great Southwest Parkway has submitted an application and site investigation report for TCEQ review requesting an evaluation of information they believe will support their status as innocent owner or operator.

You are not required to respond to this letter; however, if you have any information that may affect the TCEQ's evaluation of contamination on VEGAFAM GROUP, LLC's property or have any questions regarding this notice, please contact please contact the TCEQ Project Manager, Ruth Winsor, Project Manager, at 512-239-0842 with questions concerning this notice. Any such information must be provided within 14 days of receipt of this letter and may be sent to the above TCEQ Project Manager via Fax at (512) 239-1212, sent by regular mail to the TCEQ, MC 221, P.O. Box 13087, Austin, Texas 78711-3087 or by express mail at 12100 Park 35 Circle, Austin, Texas 78753. Please reference IOP No. 1146 in any correspondence or when contacting TCEQ. Should you have any questions of VEGAFAM GROUP, LLC, please contact Cristian Vega at (817) 716-6739.

Sincerely,
Cambridge Services Group, Inc.
